Memo

Subject: more data on Ukrainian broadcasts from Madrid

1. As a result of direct correspondence with the director of Ukrainian broadcasts, ~~Dr. V. Cymbalisty~~, we offered temporary aid in the amount of \$ 150 monthly which he readily accepted. At his special request we are purchasing and sending him records of Ukrainian songs and music. Up to this time they had no opportunity to buy any records.
2. Dr. V. Cymbalisty informed us in turn, that he has applied for a U.S. visa two years ago and if he gets his visa then he would like us to appoint somebody to succeed him as director of the program.
3. On his part, he proposed ~~Dr. V. Markus~~, i.e. he has independently proposed the same person as we did in our previous memo.
4. Last month ~~Mr. Ya. Stetsko~~ was in Spain and made attempts to take over this broadcasting facility. So far, the director of Madrid Radio Station has refused.
